Online Pre-Procedure Assessment Instructions

Welcome to Physicians Endoscopy Center! We're very pleased that you and your physician have chosen us to care for you. To start the pre-procedure assessment process, PEC requests that you fill out your medical history online with *One Medical Passport*.

We recommend that you enter your medical history online as soon as your procedure has been scheduled. Once you do this, our Pre-Op Assessment Nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your procedure.

Please follow the steps below to help you navigate through the website:

- 1) Visit: www.pec-tx.com
- 2) Click "Pre-Register Online" in the maroon box.
- 3) Click "One Medical Passport" link in the body of the paragraph.
- 4) Check the box to accept the Terms of Use and click "Register"
- 5) Complete the registration and medical history screens; click "Finish" to submit your *Medical Passport* to PEC.

Be sure to have the following information available before starting your *Medical Passport*:

- Your health insurance information.
- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

If you are not able to complete your medical history online, please call our Pre-Op Assessment Nurse between 8:00am-4:30pm at 713-587-0909 X 108 as soon as possible to complete your medical history. If we miss your call, please leave a message and allow 48-72 hours for a call back. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call. Thank you.
